

## Organization

LEAVE A LEGACY™ Québec does not organize fund-raising campaigns.

The awareness campaigns are entirely funded by the participating organizations that invest in a partnership. The different partnership categories allow for various degrees of visibility.

The planning of activities for LEAVE A LEGACY™ Québec is carried out by a volunteer organizing committee which is made up of planned giving specialists working for charitable organizations.

### **Members of our volunteer organizing committee:**

#### **Chair:**

- Lucille Grimard, retired from The Heart and Stroke Foundation of Québec

### **Members of the organizing committee:**
